ELITAS aktivno posluje od 1995. godine. Od poslova štampe i izrade pojedinačnih reklama u početnom periodu, prerasta u kompaniju koja odgovara na stroge zahteve savremene vizuelne komunikacije.

Na bazi višegodišnjeg iskustva, pruža kompletnu uslugu, po sistemu „ključ u ruke“, što obuhvata dizajn, projektovanje, pribavljanje dozvola, izradu, montažu, održavanje i servis elemenata vizuelne komunikacije.

ELITAS has been actively operating since 1995. From printing jobs and creating individual advertisement in the initial period, it has grown into a company that responds to the strict requirements of modern visual communications. Based on many years of experience, we provides a complete turnkey service, wich includes design, projecting, obtaining permits, manufacturing, assembly, maintenance and service of visual communication elements.

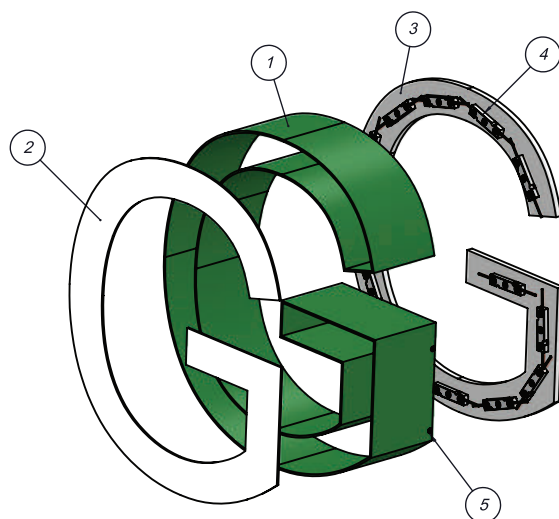

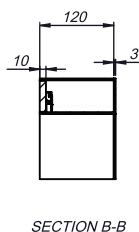

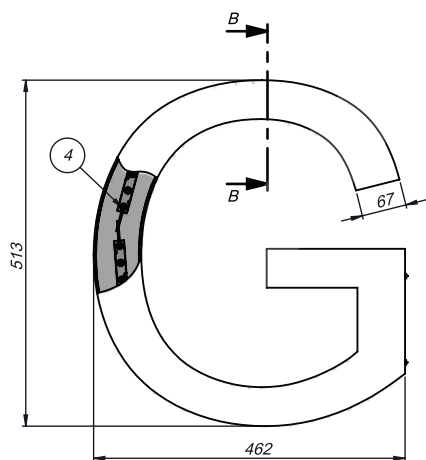

ELITAS proizvodi proizvode visokog kvaliteta, što utiče na dobro imidž naših klijenata i smanjuje troškove održavanja. Izrada, održavanje i unapređenje kvaliteta poslovanja je zagarantovano primenom sistema upravljanja kvalitetom (QMS:ISO 9001), sistem zaštite životne sredine (EMS:ISO 14000) i zdravlja i sigurnosni sistem rada (OHSAS:OHSAS 45001).

ELITAS manufactures high-quality products, wich influences the good image of our clients and reduces maintenance costs. The building, maintenace and improvement of business quality are guaranteed by applying the quality management system (QMS:ISO 9001), environment protection system (EMS:ISO 14000) and health and safety worksystem (OHSAS:OHSAS 45001).

1. Bok slova- pleksiglas 3mm / Side of the letter - acryl 3mm
2. Prednja strana slova - pleksiglas 3mm / Front side of the letter - acryl 3mm
3. Leđa - PVC-foreks 10mm / Back side - PVC hard foam 10mm
4. LED modul
5. Šraf / Screw

„Inovativnim idejama i znanjem usmeravamo individualna dostignuća ka zajedničkim ciljevima organizacije i zadovoljstvu naših korisnika.

Kao TIM, to je CILJ kojem težimo u ELITASU.“

“With innovative ideas and knowledge, we direct individual achievements towards the common goals of the organization and the satisfaction of our users.

As a TEAM, that is the GOAL we strive for in ELITAS.”

Elitas ima 1.650 m² proizvodnog prostora. Sa preko 40 zaposlenih, možemo da odgovorimo na sve zahteve naših klijenata: od konceptualnih rešenja, projektovanje, izrada do ugradnje reklama na Vašu adresu. Zaposleni u Elitasu, sa velikim znanjem i iskustvo u raznim oblastima i spremnost na inovacije, doprinose tome da je Elitas često izbor svih tih klijenata koji žele da unaprede svoj imidž primenom najnovijih trendova u reklamnoj industriji. Naši klijenti su benzinske pumpe, banke, tržni centri, hoteli...

Elitas has 1,650 m² of production space. With over 40 employees, we can respond to all of our clients' requests: from conceptual solutions, design, production to the installation of advertisements at your address. The employees of Elitas, with extensive knowledge and experience in various fields and willingness to innovate, contribute to the fact that Elitas is often the choice of all those clients who want to improve their image by applying the latest trends in the advertising industry. Our clients are gas stations, banks, shopping centers, hotels...
